

## Nomination of Non-elected Members of Council Procedures

### 1. LEGISLATION/ENTERPRISE AGREEMENT/POLICY SUPPORTED

[Curtin University Act 1966 \(WA\) \(the Curtin Act\)](#)

Strategic Plan Theme: [People and Culture](#)

### 2. IMPLEMENTATION PRINCIPLES

#### 2.1. Non-elected Members of Council

2.1.1 'Non-elected members of Council' are those members appointed or co-opted to Council pursuant to section 9(1)(a) and (h) of the Curtin Act.

2.1.2 Section 9(1)(a) of the Curtin Act provides that the Council is to include 3 persons appointed by the Governor on the recommendation of the Minister.

2.1.3 Section 9(1)(h) of the Curtin Act provides that Council is to include not more than 5 persons appointed from time to time by co-option by the Council but a person whose sole or principal employment is that of a member of the staff of the University may not be so appointed

#### 2.2 Key attributes

2.2.1. Pursuant to item 8 of the Voluntary Code, non-elected members of Council must be selected on the basis of their ability to contribute to the effective working of Council by having needed skills, knowledge and experience, an appreciation of the values of a university and its core activities of teaching and research, its independence and academic freedom; and the capacity to appreciate what Curtin's external community needs from the University.

2.2.2 Under section 9(2) of the Curtin Act, the membership of Council is to include:

- (a) at least 2 members with financial expertise (as demonstrated by relevant qualifications and by experience in financial management at a senior level in the public or private sector); and
- (b) at least one member with commercial expertise (as demonstrated by relevant experience at a senior level in the public or private sector).

#### 2.3. Term of office

2.3.1 Under section 9A(1) and (4) of the Curtin Act, the term of office for a non-elected member of Council is to be a period of 3 years unless a shorter term of office is desirable to ensure that:

- (a) the terms of office of members expire at intervals which will produce reasonable continuity of membership; or
- (b) the terms of office expire on dates which afford the convenience of uniformity.

2.3.2. Pursuant to section 9A(2) of the Curtin Act, a non-elected member of Council may on the expiry of his or her term of office be again appointed if he or she continues to be qualified under section 9 of the Curtin Act; but on the expiry of a third successive term of office (of whatever duration) he or she is not eligible to hold office as a member until 12 months have elapsed after such expiry.

### 3. PROCEDURAL DETAILS

#### 3.1. General

The Nominations Committee will consider eligible candidates for the appointment of non-elected members to Council.

#### 3.2. Succession Planning

3.2.1. To the extent to which it is feasible and appropriate, the Nominations Committee will plan for the appointment of non-elected members to Council in a variety of ways, for example:

- a) being mindful of likely vacancies, and in particular key positions on Council (for example, Chancellor, Pro Chancellor, chairs of committees of Council, members with financial or commercial expertise);
  - b) by co-opting community members to committees of Council as a pathway to future appointment to Council;
  - c) fostering on-going relationships between the University and potential future candidates; and
  - d) engaging a Search Consultant to identify a pool of potential nominees.
- 3.2.2. To assist the Nominations Committee in its deliberations, the Council Secretary will maintain and provide as needed:
- a) a Membership Register which lists the current members of Council, the category under which they were appointed or elected, any mandated requirements for that position, the date on which their term will expire, the number of terms they have served, and their eligibility or otherwise for re-appointment for a further term;
  - b) a matrix showing the skills and expertise of all current members of Council; and
  - c) a list of persons already identified as potential nominees.

### **3.3. Nomination Process**

- 3.3.1. No later than six months before the expiry date of the term of a non-elected member of Council, the Council Secretary will inform the Chancellor and Vice-Chancellor of the impending vacancy, and the matter will be placed on the agenda of the Nominations Committee for consideration.
- 3.3.2. The Nominations Committee will consider the impending vacancy in the light of:
- a) the general characteristics considered desirable in a Council member;
  - b) the mix of skills and expertise of serving Council members and any gaps which might beneficially be filled;
  - c) requirements of the Curtin Act (see sections 9 and 9A);
  - d) the operational context in which the University is (or is likely to be) operating;
  - e) where the incumbent is eligible for re-appointment, his or her performance and contribution to date as a Council member;
  - f) the desirability of fresh perspectives being introduced onto Council, whilst also retaining sufficient corporate memory;
  - g) the desirability for diversity on Council so that Council's deliberations are enriched by a broad range of backgrounds, insights and approaches;
  - h) the maintenance of gender balance on Council (in this context it is desirable that there is at least 40% women, 40% men and 20% of either, and/or other genders:
    - a) the balance of external and internal members; and
    - b) any other matters considered pertinent by the Nominations Committee.

### **3.4. Re-appointment of an incumbent member**

- 3.4.1. If the Nominations Committee considers that an incumbent member should be re-appointed to Council, the Chancellor or nominee will approach the member to establish whether he or she is prepared to have their name put forward for re-appointment.
- 3.4.2. If the current incumbent is prepared to serve a further term, the Nominations Committee will:
- a) in the case of members appointed by the Governor under section 9(1)(a) of the Curtin Act, recommend to the Minister through Council that the proposed candidate be re-appointed by the Governor to Council; and
  - b) in the case of members co-opted by Council under section 9(1) (h) of the Curtin Act, recommend to Council that it co-opt the proposed candidate to Council.
- 3.4.3. The recommendation of the Nominations Committee will include the proposed duration of the appointment. Unless there are special circumstances, a termination date of 31 March of the relevant anniversary year will be specified in the recommendation.

### **3.5. Nomination of a new member**

3.5.1. A recommendation to appoint a new member to Council will be made by the Nominations Committee if:

- a) the incumbent is not eligible for re-appointment;
- b) the incumbent is eligible for re-appointment, but is not prepared to serve for another term; or
- c) the incumbent is eligible for re-appointment, but the Nominations Committee does not consider that re-appointment is desirable in the circumstances.

3.5.2. The Nominations Committee will develop a list of potential candidates from which a short list of nominees will be prepared and then approached by the Chancellor or his/her nominee to ascertain preparedness to be recommended for appointment. The Chancellor will then recommend a preferred candidate to the Nominations Committee. The Nominations Committee will:

- a) in the case of members appointed by the Governor under section 9(1)(a) of the Curtin Act, recommend to the Minister through Council that the proposed candidate be appointed by the Governor to Council; and
- b) in the case of members co-opted by Council under section 9(1) (h) of the Curtin Act, recommend to Council that it co-opt the proposed candidate to Council.

3.5.3. The recommendation of the Nominations Committee will include the proposed duration of the appointment. Unless there are special circumstances, a termination date of 31 March of the relevant anniversary year will be specified in the recommendation.

### **3.6. Provision of advice on the resolution of the Nominations Committee**

3.6.1. In the case of members appointed by the Governor under section 9(1)(a) of the Curtin Act, the Council Secretary will write to the Minister providing the recommendation of the Nominations Committee, the rationale for the recommendation, the proposed duration for the appointment and any other pertinent information.

3.6.2. In the case of members co-opted by Council under section 9(1) (h) of the Curtin Act, once Council has resolved on the appointment, the Council Secretary will formally advise the successful appointee by letter.
