

## Tips for navigating the AIP

Select the Content page in the navigation bar. Then click on the Module 1 link. The AIP module content will open in a new window.

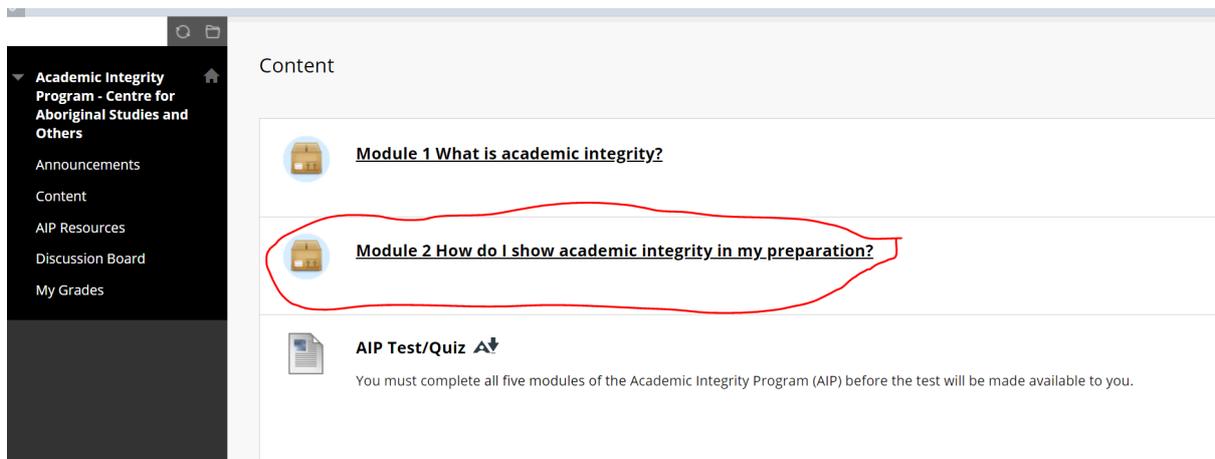

The screenshot shows the Blackboard interface. On the left is a dark navigation bar with the following items: Academic Integrity Program - Centre for Aboriginal Studies and Others, Announcements, Content (circled in red), AIP Resources, Discussion Board, and My Grades. The main content area is titled 'Content' and contains two items: 'Module 1 What is academic integrity?' and 'AIP Test/Quiz'. Below the test/quiz item, a message states: 'You must complete all five modules of the Academic Integrity Program (AIP) before the test will be made available to you.'

When you have completed all the content in the module including all references and resources, select 'Return to LMS' and select Exit All. This will take you back to the Blackboard content page where your next module will be available to you.

The screenshot shows the 'Module 1 What is academic integrity?' page. The top right navigation bar includes 'Hide Menu', 'Previous', 'Next', 'Close Item', and 'Return to LMS' (circled in red). The main content area features a 'References' section with a 'Closing' banner and a reference link: 'Universities Australia (2017) Academic Integrity Best Practice Principles, November 2017, [Online]. Available at: https://www.universitiesaustralia.edu.au/wp-content/uploads/2019/06/UA-Academic-Integrity-Best-Practice-Principles.pdf [accessed November 15, 2019].'

The screenshot shows the Blackboard 'Content' page. The navigation bar on the left is the same as in the previous screenshot. The main content area shows 'Module 1 What is academic integrity?' and 'Module 2 How do I show academic integrity in my preparation?' (circled in red). Below these is the 'AIP Test/Quiz' item with the same completion message: 'You must complete all five modules of the Academic Integrity Program (AIP) before the test will be made available to you.'

Continue with this process to finish all five modules, then your quiz will be released to you. You must pass the quiz with 80% or higher to complete the AIP.
